

House Clearing Process – What You Need to Know

April 2021.

The **Dunedin Spiritualist Church** (DSC) offers support within the Dunedin area for people who request assistance for a house cleanse/ clearing.

We require you to complete a 'House Clearing Request Form'.

You can get this from the DSC website, the DSC Facebook page and a hard copy is available at the church:

Website; dnspiritualistchurch.org

Facebook; [Dunedin Spiritualist Church | Facebook](#)

Email; dnspiritualistchurch@hotmail.com

Please make sure you fully complete the form before submitting it to the DSC via email/ website/ FB page – if you are using the paper version please give your completed form to a member of the DSC committee.

Once the completed form has been received you will be contacted by the Vice President of the DSC who may ask you a few more questions and discuss any risks you have identified on the form.

Next Steps

A date and time for the house clearing will be agreed. There will three mediums present for the house clearing (all are members of the DSC committee).

Please consider giving koha for the house clearing- we recommend \$40.00. If this donation is a problem, please discuss it when you are contacted.

Keeping the Team Safe –

Before the house clearing, if there are concerns identified by the DSC the house clearing may not take place.

During the house clearing, if there any risks or concerns the team shall leave immediately.

All forms are retained by the DSC office. Privacy - all your information will be kept secure and not shared as per the Privacy Act 2020.

Disclaimer (signature required on the form) the DSC is not able to guarantee the spirit activity will be totally removed. Sometimes despite the best efforts of the mediums, a positive outcome does not happen.
